Dear Parent/Guardian

Re:- Much Ado about Nothing Performance, Regents Park

I have booked tickets to see an open air production of Much Ado about Nothing in Regents Park, London on Thursday 11th June at 2.30pm. We have been studying this Shakespeare play at college and this forms the basis of one of your son/daughter's pieces of English coursework.

I feel very strongly that students benefit from seeing text in performance, and believe that this opportunity will be extremely enjoyable for your son/daughter, and could easily improve/add depth and understanding to their coursework piece.

If you would like your son/daughter to be included in this trip, please can you sign and return the slip below to me. The cost will be £30 (this includes the ticket cost and the coach fare). The coach will be able to go right in to the park for convenience.

We will be looking to leave college on this day at approximately 12 noon and I would imagine returning back to college around 6.30pm approximately, depending upon traffic. More exact timings will follow nearer the day.

Can I also take this opportunity to ask you to remind your son/daughter that their draft copy only of their Much Ado about Nothing coursework, is due to be handed in to me on Tuesday 5th May (when they return to college after their work experience). Any other outstanding coursework must also be handed in on this day, as we will shortly be beginning the Year 11 Literature Course.

Yours sincerely

Mrs M Mitchell
Head of English
